| 7.2        | Hostel  | 186 |
| 7.3        | Rolta Innovation & Incubation centre                | 187 |
| 7.4        | Games & Sports                                      | 190 |
| 7.5        | Institute Activities                                | 191 |
| 7.6        | Memorandum Of Understanding of MANIT                | 198 |
| <b>8.0</b> | <b>INDUSTRIAL COLLABORATION/ CONSULTANCY</b>        | 199 |
| 8.1        | Testing & Consultancy Projects                      | 199 |
| 8.2        | Patents   | 209 |

## **1.0 INTRODUCTION**

### **1.1**

#### **VISION**

***“MANIT LOOKS FORWARD TO BECOMING A GLOBAL  
CENTRE FOR TECHNICAL AND PROFESSIONAL  
KNOWLEDGE”***

### **1.2**

#### **MISSION STATEMENT**

***“TO PRODUCE TECHNICAL PROFESSIONALS ABREAST  
WITH COMPETENCE, LOGICAL MIND SET,  
MORAL & ETHICAL VALUES AND INNER STRENGTH  
SYNCHRONOUS WITH THE FUTURISTIC REQUIREMENT  
OF GLOBAL BUSINESS SO AS TO STRENGTHEN THE  
NATIONAL ECONOMY”***

## 2.0 AN OVERVIEW:

### 2.1 HISTORICAL BACKGROUND/INSTITUTE PROFILE:

Maulana Azad National Institute of Technology (MANIT) is one of the leading institutions of national importance in the area of technical education. Established with the objective of developing a “Centre of Excellence” in the central region, it aims at becoming a multi-disciplinary centre for technical education by strengthening both teaching and research activities besides contributing to the needs of rural community, society and industry at large.

The Government of India and the Government of Madhya Pradesh, jointly sponsored the Institute on 4<sup>th</sup> September 1960 to attract bright young students from across the country. It was formerly known as Maulana Azad College of Technology (MACT), which was India’s one of the first eight Regional Engineering Colleges. It has been named after the great scholar, educationist and the first education minister of Government of India, Dr. Maulana Abul Kalam Azad. The foundation stone of the Institute was laid by Late Pandit Jawahar Lal Nehru, the then Prime Minister of India, on 23rd April, 1961.

In June 2002, Maulana Azad College of Technology was elevated to the status of a Deemed University bearing the name Maulana Azad National Institute of Technology (MANIT) Bhopal, by the Ministry of Human Resource Development (MHRD), Government of India. Enjoying the status of an institution of National Importance, MANIT is fully funded by Government of India and is governed by the Board of Governors (BOG) constituted as per provisions made under the National Institute of Technology Act 2007. The President of India is a visitor of this institute. The Board of Governors consists of a Chairperson, nominated by the President of India, the Director (ex-office), two nominees from MHRD, two nominees from Government of Madhya Pradesh, one nominee from IIT, two nominees from the Senate of **MANIT, Registrar and Secretary of BOG.**

MANIT offers Bachelor’s, Master’s and Doctoral programmes in Engineering and Technology, Sciences, Computer Application Management and Humanities. The programmes of study include fourteen Bachelors and twenty one Masters programmes, Master of Computer Application (MCA) and Master of Business Administration (MBA) along with Doctoral programmes. The Institute has been conducting full time and part time M.Tech., industry oriented courses since August 1968. Several Post Graduate Courses have been introduced as per the need in successive years.

To mention them:

#### DEPARTMENTS:

- **Civil Engineering**
- **Electrical Engineering**

- **Mechanical Engineering**
- **Material Science & Metallurgical Engineering**
- **Chemical Engineering**
- **Electronics & Communication Engineering**
- **Computer Science Engineering**
- **Biological Science & Engineering**
- **Architecture & Planning**

- **Mathematics**
- **Physics**
- **Chemistry**
- **Humanities & Social Sciences**
- **Department of Management Studies**
- **Energy Centre**
- **Nanoscience and Technology Centre**
- **Remote Sensing GIS & GPS Centre**

#### **UG PROGRAMME**

- 1. Bachelor of Architecture (B. Arch)**
- 2. Bachelor of Planning (B. Plan)**
- 3. Bachelor of Technology (B. Tech)**

- Civil Engineering
- Electrical Engineering
- Computer Science Engineering
- Mechanical Engineering
- Chemical Engineering

- Electronics & Communication Engineering
- Material Science & Metallurgical Engineering

#### **PG PROGRAMMES**

- 1. Master of Business Administration (MBA)**
- 2. Master of Computer Application (MCA)**
- 3. Master of Planning (M PLAN)**

- Urban Development (UD)
- Housing (HO)

#### **4. Master of Technology (M.TECH)**

- Advanced Computing
- Bio-informatics (BI)
- Biotechnology (BT)
- Chemical Process Design (CD)
- Computation System Biology (XB)
- Computer Networking (XW)

- Digital Communication (CD)
- Electrical Drives (ED)
- Engineering Materials (EL)
- Environmental Engineering (EV)
- Geo Informatics & its application (GI)
- Geotechnical Engineering (GE)

- xiii. Green Technology (GT)
- xiv. Hydro Power Engineering (HE)
- xv. Industrial Design (ID)
- xvi. Information Security (IS)
- xvii. Maintenance Engineering (MN)
- xviii. Materials Science & Technology (MH)
- xix. Nanotechnology (NT)
- xx. Power System Engineering (PS)
- xxi. Renewable Energy (RE)
- xxii. Stress & Vibration Analysis (SV)
- xxiii. Structural Engineering (SU)
- xxiv. Thermal Engineering (TI)
- xxv. VLSI & Embedded Systems (VS)
- xxvi. Water Resource Engineering (WR)
- xxvii. Transportation Engineering (TE)

**5. Ph.D Students are enrolled in all the departments**

## 2.2 LOCATION:

The Institute is situated in the heart of beautiful lake city Bhopal, the capital of Madhya Pradesh with a verdent 650 acre campus and is well connected by rail, road and air transport. It is at an altitude of 550m. The climate is moderate with the temperature ranging from 10°C to 45°C.

### 2.3 CAMPUS :

650 acres of sprawling campus on a plateau commanding a magnificent view of the new township of Tatya Tope Nagar, adjacent hill and the Secretariat building on one side and the Habibganj Railway Station and Bharat Heavy Electrical Ltd. township on the other side.

As recommended in the Master Plan for the Institute, the entire campus of 650 acres, consists of its administrative and institutional buildings, Workshops, Energy Centre, Computer Centre, Library, residential and recreational accommodation for students, staff and other general amenities and Post-Office, Bank, Shopping Centre, School for children, Dispensary, Auditorium of 700 capacity, Student's Activity Centre, Guest House, Sports Complex and vast expanse of open area.

## **5.2 ADMISSION PROCEDURE**

### **Under Graduate Course (B.Tech./B.Arch.) :**

Admission is based on the relative performance in the Joint Entrance Examination (Main) conducted by the Central Board of Secondary Education (CBSE) as per directions issued by the MHRD, New Delhi from time to time. The candidates should have successfully passed 10+2 examination with the combination of subjects prescribed by AICTE, New Delhi, for respective discipline.

### **Post Graduate Course (M.Tech./MUDP)**

The admission is based on the merit of GATE (Graduate Aptitude Test for Engineering) Score and is done through Centralized Counselling for M.Tech. conducted by the coordinating NIT as per direction of MHRD, New Delhi.

### **Master of Computer Application:**

Admission based on the relative merit of all India MCA Common Entrance Test (NIMCET) conduct by the coordinating NIT as per the directions of MHRD, New Delhi.

### **MBA**

The admission is based on merit prepared on the basis of CAT/GMAT Score (70% weightage), Group discussion (20% weightage) and personal interview (10%).

### **5.3 COURSE WISE ENROLMENT WITH SEX, CASTE BREAK-UP**

Course wise enrolment of students with sex, caste breakup for the session 2015-16.

First to Final Year B.Tech./B.Arch./B.Planning/MCA/M.Tech./MBA(FT) in the year 2015-16.

#### **UNDER GRADUATE:**

##### **1<sup>st</sup> year B. Tech. /B. Arch.**

## 5.6 TEACHING, EXAMINATION AND EVALUATION SYSTEM:

### 5.6.1 Number of Semester, Maximum Duration and Academic Requirements for Post Graduate Courses

The following table lists the maximum duration allowed in the programme, and credits requirements for post-graduation in the various programmes.

| Name of Programme | Number of Semester Required | Maximum Duration Allowed to complete the program |
|-------------------|-----------------------------|--|
| M.Tech.           | 4 Semester                  | 4Years   |
| MBA               | 4 Semester                  | 4 Years  |
| MCA               | 6 Semester                  | 6 Years  |

No student who has completed the prescribed maximum duration in the programme shall be allowed to register in the subsequent semester unless he/she has been granted extension of the programme by the Chairman Senate on the recommendations of the HOD and Dean (Academic Affairs).

### 5.6.2 Evaluation process for M.Tech./MCA/MBA

#### Theory paper

| End term Examination<br>(Duration 180 minutes)<br>Maximum marks | Mid term Continuous Evaluation |    |       | Total Marks<br>(Theory) |
|---|--------------------------------|----|-------|-------------------------|
|   | Distribution                   |    | Total |                         |
| 60  | Minor I                        | 20 |       | 100                     |
|   | Innovative work/<br>Assignment | 20 | 40    |                         |

#### Practical

| End Term Examination<br>(Duration 120 minutes)<br>Maximum marks<br>60 | Continuous Evaluation (Practical) |    |       | Total Marks<br>(Practical) |
|---|-----------------------------------|----|-------|----------------------------|
|   | Distribution                      |    | Total |                            |
|   | Laboratory/ workshop work         | 20 |       | 100                        |
|   | Mid term Submission & viva        | 20 | 40    |                            |

#### Evaluation process for M.Plan

| End term examination<br>(180 minutes duration)<br>Maximum marks<br>(Theory) | Mid term Continuous Evaluation               |    |       | Total Marks<br>(Theory) |
|---|--|----|-------|-------------------------|
|   | Distribution                                 |    | Total |                         |
| 40  | Mid term examination<br>(90 minute duration) | 20 |       | 100                     |
|   | Studio, Viva & Assignment                    | 40 | 60    |                         |

For promotion in next higher classes (II/III years), required Cumulative Grade point average (CGPA) at the end of even semester is 4.0, and CGPA for completion of course is also 4.0. Further the student must complete the M.Tech and M.Plan programme in a maximum of 4 years and MCA. in 6 years.

### 5.6.3 Academic Performance Requirement

(i) The minimum SGPA requirement for continuing in the programme or for post graduation is 4.0 for M.Tech./M.Plan/MBA and 6.0 for MCA.

(ii) If a M.Tech./M.Plan/MBA/MCA student secures a CGPA 4.0, he/she may be allowed to continue in the following semester on the recommendation of the DPGC and with the approval of the Chairman senate.

(iii) A student will not be allowed to continue in the M.Tech./M.Plan/MBA/MCA. programme if:

- (a) His/her CGPA is below 4.0 in two consecutive semester.
- (b) He/she obtains more than two F in the same or different courses.
- (c) He/she accumulates three or more F grades before the start of the final semester/thesis.

However, those who have completed course work and CGPA is less than 4.0 or discontinued from the course, diploma in the course can be awarded by the recommendation of the chairman, senate.

(iv) The DPGC will keep a watch on the progress of every student and whenever a student fails to meet the requirements will intimate the Dean (Academic Affairs) who can start the termination procedure. If a student's program is terminated, the Head of the Department will issue the letter of termination with consultation of Dean (Academic Affairs) through Controller of examination (COE).

Maximum credit point average, CGPA required for M.Tech/M.Plan degree is 90 credits, for MCA it is 150 credits and for MBA it is 100 credits.

***The provisions of conducting the revaluation of answer books and supplementary examinations are completely abolished.***

### 5.6.4 Teaching

The medium of instructions/ evaluation etc. shall be English. Every course comprises specific Lecture-Tutorial- Practical (L-T-P) schedule. For lectures of one period (55 minutes duration) is assigned one credit where as tutorial and Practical has only 0.5 credit per period. Usually three lectures are assigned for one theory subject and most of the practical classes are of two periods duration. Each course, along with its weightage in terms of units, shall require approval of the Board of Studies and approval from the senate. Only approved courses can be offered during any semester. The theory courses are in three category namely, departmental core subject, departmental electives and open electives. The registration of open electives can be opted by students of any branch, with the consultation of the students' advisor. Each approved course, whenever offered in any semester, shall be conducted by the assigned faculty in charge with the assistance of the required number of faculty/tutors. The faculty in charge shall be responsible for conducting the course, holding the examinations, evaluating the performance of the student and awarding the grades at the end of the semester.

### 5.6.5 Evaluation process for B.Tech, B.Arch and B.Plan

In each semester, there shall be normally one mid term examination and one end examination. As far as possible, all the examinations shall be conducted during the announced examination periods in the academic calendar. Each student, registered for a course, shall be awarded marks by the concerned faculty in charge. The marks awarded to a student depend upon his performance in

various examinations Laboratory works/ innovative works/ assignment etc. The marks to be used to award their relative letter grades and grade index.

#### 5.6.6 Evaluation process for B.Tech

##### Theory paper

| End term examination<br>(180 minutes duration)<br>Maximum marks | Mid term Continuous Evaluation  |                |       | Total Marks<br>(Theory) |
|---|---|----------------|-------|-------------------------|
|   | Distribution  |                | Total |                         |
| 60  | Mid term examination<br>(90 minute duration)<br>Quiz /Mini test<br>Innovative work/<br>Assignment | 20<br>10<br>10 | 40    | 100                     |

#### Evaluation process for B.Plan/ B.Arch

| End term examination<br>(180 minutes duration)<br>Maximum marks<br>(Theory)<br>40 | Mid term Continuous Evaluation  |          |       | Total Marks<br>(Theory) |
|---|---|----------|-------|-------------------------|
|   | Distribution  |          | Total |                         |
|   | Mid term examination<br>(90 minute duration)<br>Studio, Viva & Assignment | 20<br>40 | 60    | 100                     |

Continuous evaluation system has been adopted along with credit and grading system as per the prevalent practice in various IIT's and other institutes of higher studies

#### 5.6.7 Credits, Grades, Semester and Cumulative Grade Performance Average

To clear a particular subject the required grade and grade point for **B.Tech**, **B.Arch** and **B.Plan** is D (4.0) . For promotion in next higher classes (III/IV/V years), required Cumulative Grade point average (CGPA) at the end of even semester is 4.0, and subsequently GGPA for completion of course is also 4.0, further the student must complete the B.Tech and B.Plan programme in a maximum of 6 years and B. Arch. in 7 years.

To qualify the four years B.Tech degree course, a student has to complete minimum 174 credits where as for four year B.Plan degree course minimum requirement is 184 credits and for five year B.Arch degree course minimum requirement is 230 credits.

### 5.6.8 Credits, Grades, Semester and Cumulative Grade Performance Average

(i) In each course a student is registered, he/she earns certain approved credits and is awarded a letter grade indicating his/her overall performance in that course. There are seven letter grades: A<sup>+</sup>, A, B<sup>+</sup>, B, C, D and F. The minimum passing grade in a subject is D. Their equivalent numeric values are given in the following table.

(ii) F grade is treated as Fail grade. Any student getting this grades will have to appear in the examination again whenever it is scheduled by the institute. A student cannot be allowed to have F grade in more than two subjects in one semester. Also he/she has to improve this grade in maximum two consecutive attempts.

| Letter Grades  | Grade Points | Description of Performance |
|----------------|--------------|----------------------------|
| A <sup>+</sup> | 9.0 to 10    | Outstanding                |
| A              | 8.0 to 8.99  | Excellent                  |
| B <sup>+</sup> | 7.0 to 7.99  | Very Good                  |
| B              | 6.0 to 6.99  | Good                       |
| C              | 5.0 to 5.99  | Average                    |
| D              | 4.0 to 4.99  | Satisfactory               |
| F              | < 4.0        | Fail                       |

### 5.6.9 Computation of the Semester Grade Performance Average (SGPA) and Cumulative Grade Performance Average (CGPA)

The SGPA and CGPA is an indicator of the overall academic performance of a student in all the courses he/she has registered during a given semester/year.

Similarly, the GGPA indicates the cumulative academic performance in all the courses/subjects taken during the entire stay in the institute.

#### Formula for calculation of SGPA, CGPA, GGPA

**SGPA:** 
$$= \frac{\sum (\text{number of credits earned in each subject} \times \text{grade points for respective subject})}{\text{Total number of credits in that semester}}$$

**CGPA**= Mean of odd and even semester SGPA's

**GGPA**= Mean of all CGPA's

The course credits and thesis/project credits will be shown separately in the final grade card with overall GGPA. In case a student is clearing any fail subject, the new grade obtained will replace the older one while calculating the overall SGPA/CGPA/GGPA.

The final grade index and grade shall be displayed in Institute web site and student can approach the concerned subject coordinator (s) for any clarifications within one week of the announcement of the grades. The process of evaluation shall be transparent and the students shall be made aware of all the

factors included in the evaluation. In case of any corrections, the subject coordinators (s) shall have to incorporate the same before finalizing the grade and printing the mark list.

| 8.   | B. PLANNING   | 121110201 | HARSHITA THAKARE  | 8.81 | 1 <sup>st</sup> |
| 9.   | B. ARCHITECTURE                                       | 111110220 | TANYA KAUR BEDI   | 8.66 | 1 <sup>st</sup> |
| 10.  | MASTER OF COMPUTER APPLICATIONS                       | 132120024 | ANMOLJEET KAUR    | 9.45 | 1 <sup>st</sup> |
| 11.  | MASTER OF BUSINESS ADMINISTRATION                     | 142121013 | MINCY SKARIA      | 8.83 | 1 <sup>st</sup> |

### Silver Medal Recipients Session 2015-16 (13<sup>th</sup> Convocation)

| S.No | Courses                       | Sch. No.  | Name            | GGPA | Position        |
|------|-------------------------------|-----------|-----------------|------|-----------------|
| 1.   | B.Tech CIVIL ENGINEERING      | 121111104 | SURABHI AGARWAL | 8.98 | 2 <sup>nd</sup> |
| 2.   | B.Tech MECHANICAL ENGINEERING | 121116077 | ADESH AGRAWAL   | 9.12 | 2 <sup>nd</sup> |

|     |   |           |                     |      |                 |
|-----|---|-----------|---------------------|------|-----------------|
| 3.  | B.Tech. ELECTRICAL ENGINEERING                        | 121113004 | PRINCE YADAV        | 9.15 | 2 <sup>nd</sup> |
| 4.  | B.Tech. ELECTRONICS & COMMUNICATION ENGINEERING       | 121114057 | PRACHI JAIN         | 9.13 | 2 <sup>nd</sup> |
| 5.  | B.Tech. COMPUTER SCIENCE & ENGINEERING                | 121112208 | VANYA DHARNI        | 9.30 | 2 <sup>nd</sup> |
| 6.  | B.Tech CHEMICAL ENGINEERING                           | 121116307 | YOSHITA GUPTA       | 9.19 | 2 <sup>nd</sup> |
| 7.  | B.Tech MATERIAL SCIENCE AND METALLURGICAL ENGINEERING | 121101105 | RASHI KORJANI       | 8.88 | 2 <sup>nd</sup> |
| 8.  | B. PLANNING   | 121110219 | SUKANYA KONER       | 8.25 | 2 <sup>nd</sup> |
| 9.  | B. ARCHITECTURE                                       | 111110108 | PANKAJ KUMAR SAHU   | 8.57 | 2 <sup>nd</sup> |
| 10. | MASTER OF COMPUTER APPLICATIONS                       | 132120018 | SAUMYADEEP TARAFDAR | 9.33 | 2 <sup>nd</sup> |
| 11. | MASTER OF BUSINESS ADMINISTRATION                     | 142121041 | MANSI SAXENA        | 8.65 | 2 <sup>nd</sup> |

#### **Sponsored Medal Recipients Session 2015-16 (13<sup>th</sup> Convocation)**

| S.No. | Sponsored by                    | Category                         | Sch. No.  | Name              | Branch           |
|-------|---------------------------------|----------------------------------|-----------|-------------------|------------------|
| 1.    | Prof. H.L.Kapoor Gold Medal     | Highest marks in Chemistry       | 121113003 | ALOK KUMAR MISHRA | Electrical Engg. |
| 2.    | Dr. H.B.Khurasia Gold Medal     | Overall meritorious girl student | 121116328 | SAPNIL JAIN       | Chemical Engg.   |
| 3.    | Chandra Prakash Shukla Memorial | MBA Topper                       | 142121013 | MINCY SKARIA      | MBA              |
| 4.    | Kuttan Memorial Gold Medal      | Overall topper of the Institute  | 121113003 | ALOK KUMAR MISHRA | Electrical Engg. |
| 5.    | Arpit Goyal Memorial Gold Medal | Topper in Computer Sc. Engg.     | 121112207 | SHANKUL KHARE     | CSE              |

#### **List of Ph.D Scholar's to be awarded Degree in the XIII convocation**

| S.No. | Scholar No. | Name of Student         | Department                     |
|-------|-------------|-------------------------|--------------------------------|
| 1.    | 093110001   | Arti Jaiswal            | Architecture & Planning        |
| 2.    | 083210104   | Pankaj Singh            | Architecture & Planning        |
| 3.    | 113110002   | Neelam Soni             | Architecture & Planning        |
| 4.    | 123104001   | Shikha Jaiprakash Dixit | Biological Science & Engg.     |
| 5.    | 123102002   | G. Robin Wilson         | Chemistry                      |
| 6.    | 123111101   | Kundan Meshram          | Civil Engineering              |
| 7.    | 123111103   | Yogita Gupta            | Civil Engineering              |
| 8.    | 123111102   | Minakshi Shrivastava    | Civil Engineering              |
| 9.    | 093206103   | Rekha Vaidyanathan      | Computer Applications          |
| 10.   | 113206107   | Amita Jain              | Computer Applications          |
| 11.   | 123106102   | Dipti Chauhan           | Computer Applications          |
| 12.   | 123206103   | Brijesh Bakariya        | Computer Applications          |
| 13.   | 113212113   | Shaheen Ayyub           | Computer Science & Engineering |
| 14.   | 113212103   | Dhan Pratap Singh       | Computer Science & Engineering |
| 15.   | 083213106   | Suresh Kumar Gawre      | Electrical Engineering         |

|     |           |                     |                                     |
|-----|-----------|---------------------|-------------------------------------|
| 16. | 113113102 | Lalit Kumar         | Electrical Engineering              |

## 5 Year Comparative Analysis of No. of Conferences/Seminars/Workshops organized in the Institute

### 6.3 SEMINARS/SYMPOSIA ATTENDED BY FACULTY MEMBERS

The details of the members of the faculty of the Institute who were sponsored to attend Seminar/Symposia held at various places in the country and abroad during 2015-16 are given below:

| S.No.                                  | Name of faculty members | Topic of Seminar  | Period and Place                         |
|--|-------------------------|---|--|
| <b>Department of Civil Engineering</b> |                         |   |  |
| 1                                      | Dr. S.K. Dubey          | 4th Asian conference on Ecstasgin ICIACECON 2015  | Kolkata                                  |
| 2                                      | Dr. S.K. Katiyar        | 6th International Conference on Health GIS 2015   | Mysuru<br>19 Nov-21 Nov 2015             |
| 3                                      | Dr. Charu Parashar      | Geotechnical Investigation for Structural Engineering                                     | IIT, Gandhinagar<br>15 Oct-17 Oct 2015   |
| 4                                      | Dr. Charu Parashar      | National Water Sangoshti in Hindi   | Roorkee<br>19 Oct-20 Oct 2015            |
| 5                                      | Dr. Charu Parashar      | Flood Management with GIS   | Pune<br>26 Oct-30 Oct 2015               |
| 6                                      | Dr. Charu Parashar      | CPDP on Formulation of Research & Development Initiatives for Scientist And Technologists | Hyderabad<br>08 Feb-11 Feb 2016          |

**5 Year Comparative Analysis of No. of  
Conferences/Seminars/Workshops Attended by the Members of the Faculty of the Institute**

#### 6.4 RESEARCH PROJECTS:

Several staff members of the institute are engaged in research activities. Sponsoring agency is MANIT, Bhopal. Details of the research projects under investigation during the year 2015-16 are as follows:

##### Progress Report of Research Project (Ongoing/In Progress)

| S.No | Name of the Professor Incharge (s) | Name of Deptt.                          | Title of Project / Scheme   | Sponsoring Agency | Project Cost/ Fund sanctioned                           | Amount received and date | Closing Balance | Date of Starti ng proje- ct | Date of ending project | Project year | Status of Project |

## **7.0 CENTRAL FACILITIES & SERVICES**

### **7.1 CENTRAL LIBRARY**

1. Number of books in the Central Library (Main Section): more than 1,00,000 (One Lac) [as per available records]
2. Central Library Working Hours : 8:00 AM to 8:00 PM ( On Institute Working Days )
3. About Book Bank facility: Separate Book Bank Facility for both General Category & SC/ST students.
4. Number of books in General Book Bank : More than 5,500 [as per available records]
5. Number of books in SC/ST Book Bank : More than 14,000 [as per available records]
6. Learning Material CDs: More than 2,000 [as per available records]
7. E-Shodhsindhu Consortium Membership: MANIT, Bhopal, is a member of E-Shodhsindhu consortium. By virtue of this membership, the institute has access to some important online resources, including: ACM, ASCE, ASME, J-Gate, Nature, OUP, JSTOR, EPW, ASTM, ISID etc. The institute has also subscribed to ScienceDirect, IEEE and INFORMS Journals, Membership of DELNET & about 12 eBooks packages.
8. Digital Library Facility: Available
9. Central Library Advisory Committee: It includes Chairman, three Members [a former Chairman (LAC), I/c Librarian and Asstt. Registrar (Purchase)], and all Departmental Library Coordinators as associate members.
10. Divisions of Central Library: The Central library is divided into seven distinct divisions, namely: Acquisition, Binding, Circulation, Computer Center & Data Entry, Documents & Records Keeping, and Overdue Charges. Each division is headed by a senior library professional / employee with years of experience behind him. All divisional in-charges report to I/c Librarian and work under his supervision.

## 7.2 HOSTEL

Following are the details of all hostel rooms and students strength in hostels :

| S.No         | Hostel No.                                      | No. of Alloted Room                          | No. of Student |            |
|--------------|---|--|----------------|------------|
|              |   |  | Boys           | Girls      |
| 1            | H-1   | 73   | 288            | -          |
| 2            | H-2   | 73   | 283            | -          |
| 3            | H-3   | 144  | 305            | -          |
| 4            | H-4   | 144  | 307            | -          |
| 5            | H-5   | 264  | 348            | -          |
| 6            | H-6   | 264  | 369            | -          |
| 7            | H-7<br>(Girls Hostel)                           | 340+ (2 Quarters)                            | -              | 902        |
| 8            | H-8<br>(A-Block)                                | 128+(2 Halls)                                | 279            | -          |
| 9            | H-8<br>(B-Block)                                | 128+(2 Halls)                                | 319            | -          |
| 10           | H-10<br>(D Block)                               | 128  | 350            |            |
| 11           | N.R.I   | 136  | 213            | -          |
| 12           | FGH<br>(temporary arrangement)                  | 26   | 84             | -          |
| 13           | Energy Centre<br>(temporary arrangement)        | 13 Halls                                     | 94             | -          |
| 14           | New Teaching Block<br>(temporary arrangement)   | 04 Halls                                     | 23             |            |
| <b>Total</b> | <b>11 Hostels &amp; 3 Temporary arrangement</b> | <b>1848 Rooms, 23 Halls &amp; 2 Quarters</b> | <b>3262</b>    | <b>902</b> |

### 7.3 ROLTA INNOVATION & INCUBATION CENTRE

---

#### Objectives of Incubation Centre

The Incubation Centre, **consists** of eight functional cells such as, Product Development cell, NANO Satellite Project Cell, Industry Institute Interaction Cell, Vision Cell, Web Design Cell, IPR cell, Entrepreneur Development Cell and TIDE Cell. The objectives of these cells are as follows:

**The objective of product development cell** is to facilitate the infrastructure required for the development of innovative products and processes by students of undergraduate and postgraduate courses of MANIT. Faculties of the institute, guide the students in technical areas in giving a shape to their conceptual ideas. At present, the institute finances their attempts to develop new innovative products. Under this scheme, eight projects have been sanctioned out of 15 applicants in the month of November 2014. Students from four projects participated in competitions held in various parts of India and got satisfactory results. Four more projects are of research type and are still under process. Some more projects in this year **2016**, to the deserving applicants are sanctioned.

The second cell has an objective of designing and development of **NANO satellite** in technical collaboration with ISRO, Bangalore. This project was started in the year 2012 and picked up momentum after the incubation centre was started in MANIT. They have completed the design part of the project and are making efforts to complete development of prototype as soon as possible.

**The Industry-Institute Interaction (I.I.I) cell** has objectives of organizing, continuing education programmes for the benefit of working professionals in the industry that help them in enriching their knowledge base and in turn further improving their skills, providing training facilities and **inculcating** expertise in critical areas and starting web based courses for promoting industry-institute interaction in a meaningful way. The institute has signed memorandum of understanding with Applied Materials Company and they are in the process of establishing a laboratory in the incubation centre. The company aims to give projects to the students and to provide guidance to them in completing the projects. In addition to this, I.I.I cell involves experienced industry personnel in academic activities, such as design of course curriculum, delivering expert lectures and to take part in workshops and conferences.

**Web Development and Internet Radio Club (WDIRC)** has completed many activities in the last six months, such as, development of MANIT alumni website, preparation of videos of expert lectures and broadcasting through internet radio. They are now preparing web based data bank of MANIT. This cell provides a platform for MANIT students for acquiring and further enriching their designing and programming skills.

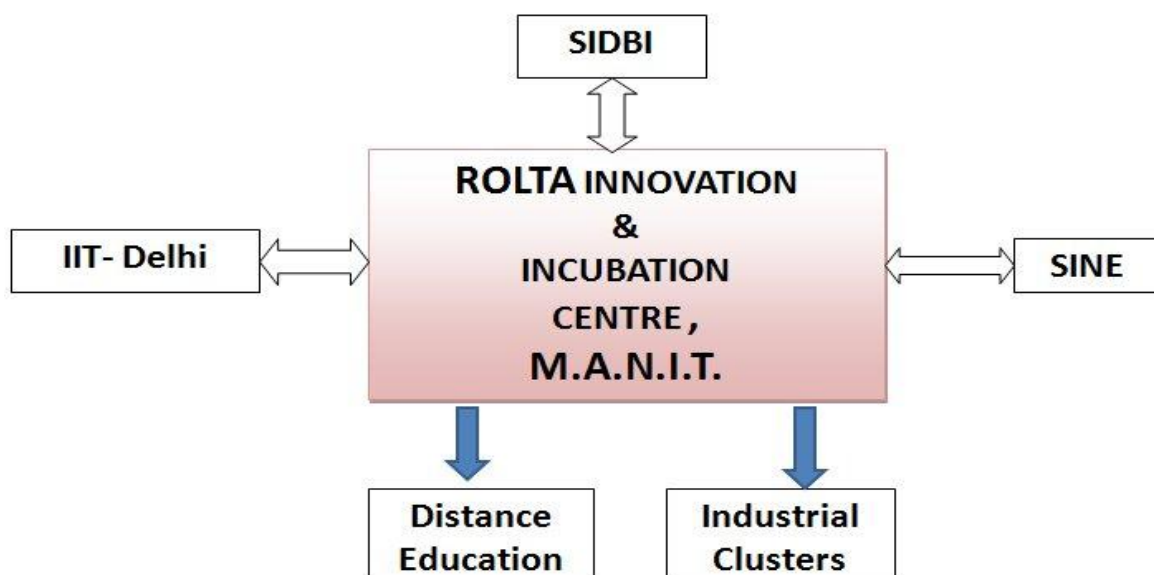

**Entrepreneurship** is the Process through which entrepreneurs create and grow enterprises. Entrepreneurship development is the need of the day as India has a great potential to develop as the “Global Innovation Hub” with its huge human resource and traditional knowledge. Encouraging entrepreneurs, lead to the development of innovative/new products and in turn address the problem of unemployment as today’s need is to create jobs for qualified people. Entrepreneur not only becomes self dependent but also provides employment to many others. To start with, they need human, financial and physical infrastructure and supportive climate. In order to provide this, Incubation centre of MANIT started a cell for prospective entrepreneurs. The Entrepreneur Development cell organizes workshops, STTPs and conferences in order to train the students, research scholars and industry personnel in establishing a firm of their own and develop into an entrepreneur. This cell organized an STTP during 27<sup>th</sup> January 2015 to 7<sup>th</sup> February 2015 on “FDP on Entrepreneurship”.

**The TIDE’s** objective is to assess the potential of new entrepreneurs and to provide start ups with mentoring and technical support, provision of workspace with initial seed support.

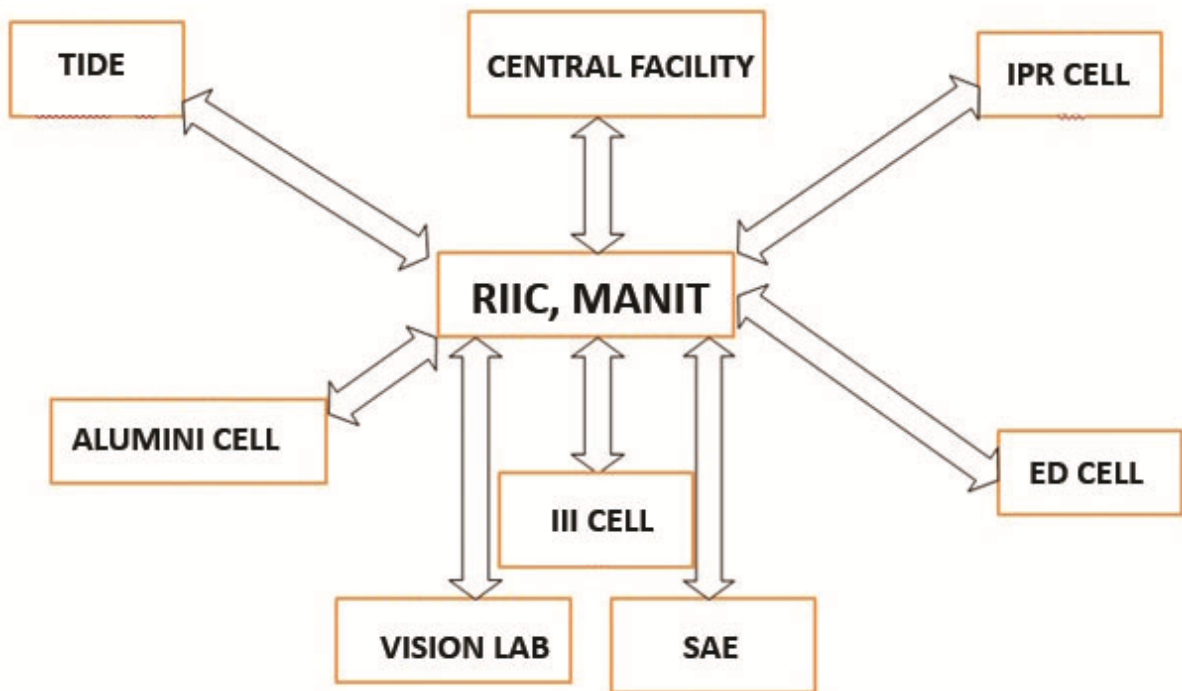

#### Faculty from various departments involved in MRIC

- Chairperson: Dr.Saroj Rangnekar, Professor, Energy Centre
- Secretary: Dr.C.M.Krishna, Asso. Prof, Mechanical Engg. Deptt.
- Cell Coordinators:
  - Dr. Shailendra Jain, Prof. Electrical Engg. Deptt.
  - Dr. Deepak Tomar, Asst. Prof. Computer Sc.Deptt.
  - Dr. Vineeta Mohindra, Asso. Prof. HSS Deptt.
  - Dr.V.K.Soni, Asst. Prof., Mechanical Engg. Deptt.
  - Dr.M.K.Pradhan, Asst.Prof., Mechanical Engg.
  - Dr.Arvind Kumar, Asst. Prof. Mechanical Engg.

### INTRAMURAL SPORTS ACTIVITIES

Physical Education and Sports Department concentrated on intramural events, starting from the month of August 2015 in Inter Hostel & Inter Branch, (Boys & Girls) events of Table Tennis, Chess, Carrom, Football, & Volleyball, Cricket, Basketball, Cross country Kabaddi. Besides these activities **the first year students were**

**motivated** to participate in Inter Hostel, Inter Branch, Inter NIT tournaments by giving special practice sessions by experts. In addition to this, Open cross country race for students (UG and PG), faculty v/s staff cricket tournaments were conducted twice a year in 2015-16 session.

### ACHIEVEMENTS

- (i) MANIT was winner in Table-Tennis and Chess in All India Inter NIT Tournament Organised by NIT, Silchar.
- (ii) MANIT Football Team had 3<sup>rd</sup> Position in All India Inter NIT Tournament Organised by NIT, Raurkela.
- (iii) MANIT **students'** team was a winner in Cricket, Kabaddi, Football in Inter Engineering Institution annual sports event **"SPORTOMANIA"** 2015-16 Organised by MANIT, Bhopal.
- (iv) MANIT students team was a runners-up in Table-Tennis in Inter Engineering Institution annual sports **"SPORTOMANIA"** 2015-16 Organised by MANIT, Bhopal.

## 7.5 INSTITUTE ACTIVITIES

### CULTURAL EVENTS OF MANIT

#### MAJOR COLLEGE EVENTS :

#### Ripple: 31 Jan- 01 Feb 2015

It is the Annual Literary Fest of the institute conducted by the Literary Society Drishtant **with the theme of a Carnival Fete this year**. Competitions on the first day included 10 carnival games with literary elements like Dart Wars, House of Rings, Spell Bee etc, as well as a Creative Writing and Moot Court. The second day, called in the highest scorers from the previous day's events to compete in a Courtroom to solve a carnival mystery, a post scandal Press Conference Session where participants were assigned roles of political personalities, whose statements were turned into scandalous headlines justifying themselves and their statements. A puppet show was put up to present the unseen problems in society like hypocrisy, adapting the loudest speakers opinion etc. In all, the event saw participations of students from many colleges of Bhopal. The participants got a chance to **display** their intellect, opinions and oratory skills through this platform. **This was a** knowledge sharing experience and a platform for free minded individuals to discuss issues that concern the country.

### **Maffick:**

It is the annual social and cultural festival of MANIT .It is a 3-days event held usually in the second week of March every year and is attended by thousands of students from different colleges across India. It is very popular because of the wide variety of cultural events (music and dance shows), celebrities and competitions it hosts.

This year's theme was Revival of Lost Arts. It saw the institute flooded with graffiti of popular music bands and artists of the 90s and hosted a crowd of thousands of students. The festival also promoted sustainable energy by its venture to invite the entire college to unite and save electricity while watching the India v/s Pakistan match on the college ground. Along with this, Maffick hosted an EDM night and a musical evening by Gajendra Verma.

### **Investiture Ceremony:**

Maulana Azad National Institute of Technology held the Oath Taking Ceremony of Students's Council in July 2016. Hon. Shri Sri Rajendra Kumar, IPS DG Cyber Crime, graced the occasion as the Chief Guest alongwith the Director, Deans, faculties and students.

### **Alumni Meet: Foundation Day**

The meet invited alumni to interact with each other and the students of the institute. The alumni attendees spoke about the strong alumni network and how it has always helped each other in the professional world as well as their experiences in the institute. The alumni have proposed infrastructure improvements like availability of high speed internet, aid to budding entrepreneurs etc.

### **Tooryanaad:**

Tooryanaad is organised every year during the Hindi Week at the Institute. It promotes Hindi culture in the institute and the event has a national presence. This year it showcased a play by Sri Manoj Joshi's group on his role as Chanakya, he is a leading dramatist and actor. The events in Tooryanaad include "ChatraSaansad", Khichdi- a unique event that promotes interaction with students from southern states and living abroad, Paridhanika- the ethnic fashion walk etc.

### **Major student associations**

#### **Drishtant**

'**Drishtant**' is the literary society of MANIT, Bhopal. Since its very inception in 1997, Drishtant has been aiming at improving the overall literary persona of students. The very mission of Drishtant has been manifold. Transforming students from shy and diffident PCM nerds to loquacious entrepreneurs and engineers of tomorrow, 'D' has always been inculcating effective communication skills in students. All in all Drishtant endeavours toward building one's self-confidence, polishing the literary side and grooming one's overall personality.

#### **1. Weekly events**

Every Sunday, Drishtant invites all students to its weekly events. This year's weekly events included 'RendezVous' and 'Expecto Patronum'. **Both these events aimed at providing opportunities to the** new batch of students to interact with each other and their seniors for sharing knowledge and experience. They had simple events like literary quizzes, idiom charades, writing and speaking tasks. As a tradition, Dishtant ended all its weekly events with Group Discussion where participants were guided thoroughly through its rules and judges gave every participant a feedback on their performance and pointers to improve in future.

## 2. Illuminati

Is another flagship event conducted in the Techfest of the institute, this year saw its 5th edition, themed at a 50 year old murder mystery solved through a series of literary puzzles, case studies and moot court.

### **Entrepreneurship Development Cell**

ED cell of the college has grown in performance and impact at a great pace over the past two years. From its journey to be awarded as the Most Promising ED Cell in National entrepreneurship Challenge at E Summit, IIT Bombay, 2016 to the way it is actually helping budding startups through the college incubation centre.

1. NEC, E-summit, IIT Bombay: Awarded the most promising team in the 4 month long competition consisting of 40 competitions. Group discussions on strategies for the growth of a start up and a presentation on the journey and future plans of the cell.
2. Business Quiz and IPL auction: Along with an orientation about what the cell does and could do, they held a business quiz on the various products, business icons and brands. The IPL auction was a virtual auction-bidding on cricketers and making the winning IPL team.
3. Idea: A typical start up convention, the first of its kind in Bhopal inviting start ideas to be pitched to a group of virtual investors targeted at encouraging the start up culture and increase networking.

### **THE WORK REPORT:**

This includes the efforts put in by the various societies of the institute to enhance the college cultural profile ( year 2015-2016).

### **ROOBAROO (the cultural society) :**

Roobaroo was initially set up to establish a very stable yet enriching cultural atmosphere within the campus which now has grown upto Interuniversities levels. It provides platform to all the budding talents in the field of dancing, singing , drama, poetry recital, instrumental music, bands etc.

### **RASHTRAAY (the street play society) :**

Engendering exorbitant high spirits and awareness is of paramount importance to the society. Rashtraay, the official street play society of MANIT, intends to encourage the same in the college students to develop a broader vision and a concerned outlook towards the nation to proliferate its ideology, it brings into play a category of dramatics, street play etc. It performs street plays on social issues in cultural festivals of several colleges in India especially in IITs and NITs. Enriched with the vision of some far sighted students, the family has now extended to around 50 working members who are working diligently to bring about revolutionary change in the society.

### **SPIC MACAY**

SPIC MACAY, viz the “Society for the Promotion of Indian Classical Music and Culture Amongst Youth”, is a voluntary youth organization working for the promotion and progress of Indian Tradition, Music and Arts in the world. Its main aim is to make the Indian Youth aware of the importance of our culture and inculcate our tradition in them. The MANIT wing not only serves its motive by conducting the various programs under this banner but also initiates the value of volunteerism by channelizing the efforts of almost 100 volunteers from the institute itself.

The activities include :

1. Lecture demonstration
2. Conventions – State, National, International
3. Gurukul anubhav scholarship
4. Concerts – evening and overnight
5. Heritage walks

## राजभाषा कार्यान्वयन समिति, मैनिट

संविधान के अनुच्छेद 343(1) में देवनागरी लिपि में हिंदी को संघ की राजभाषा घोषित किया गया। राजकीय प्रयोजनों के लिए हिंदी के प्रयोग में हुई प्रगति का पुनर्विलोकन करने के लिए राजभाषा समिति का गठन राजभाषा अधिनियम, 1963 की धारा 4 के तहत वर्ष 1963 में किया गया।

मौलाना आज़ाद राष्ट्रीय प्रौद्योगिकी संस्थान, भोपाल में इस समिति की संयोजिका, डॉ. सविता दीक्षित 1998 से हिंदी के प्रचार-प्रसार हेतु कार्यरत हैं।

### विशेष उपलब्धियां :

- कुछ वर्षों पूर्व जहाँ छात्र हिंदी बोलने में झिझक महसूस करते थे, वहीं आज अधिकांश छात्र गर्व के साथ हिंदी का प्रयोग करते हैं। इस शर्म की भावना का गर्व की भावना में बदलना समिति की सफलता है।
- संस्थान के सभी नाम पट्ट, रबड़ मुहरें, वार्षिक रिपोर्ट आदि द्विभाषी बनाए गए।
- संस्थान की वेबसाइट राजभाषा में।
- 2013 में पोर्टब्लेअर में राजभाषा कार्यान्वयन प्रशिक्षण संस्थान द्वारा हिंदी में सर्वोत्कृष्ट कार्य हेतु डॉ. सविता दीक्षित को प्रतीक चिह्न प्रदान किया गया।
- डॉ. सविता दीक्षित, संयोजिका, राजभाषा कार्यान्वयन समिति को सन् 2012 हिंदी में उत्कृष्ट कार्य हेतु गुवाहाटी में राजभाषा रत्न पुरस्कार प्राप्त हुआ।
- केंद्रीय संस्कृति मंत्रालय, राजभाषा विभाग ने सराहना की। इस हेतु मंत्रालय के राजभाषा विभाग के प्रमुख सचिव श्री वेद प्रकाश गौर जी संस्थान आकर टीम से भी मिले।
- संस्थान के शैक्षणिक एवं गैर शैक्षणिक स्टाफ के लिए विभिन्न प्रतियोगिताओं का आयोजन। जैसे –
  - नोटिंग एवं ड्राफ्टिंग

- टंकण
- निबंध लेखन
- तात्कालिक भाषण

### **PURGE**

Purge is an initiative by the students of Maulana Azad National Institute of Technology, Bhopal which aims at the reduction of polythene usage in the country. It stands for Polythene Usage Reduction for Greener Environment. The idea is to connect various colleges in the country with the campaign in order to **meet the goal**. We also aim at developing a model which would suggest better recycling and reuse of plastics. The team has started the work of reduction of polythene and better disposal in the college campus. We have divided our team into various subsystems so that all the aspects of saving our environment from the negative effects of polythene are equally looked into. Also, Purge aims at implementing 'Swachh Bharat Abhiyaan' started by the honourable Prime Minister of India. We look forward to adopt any measures possible to bring changes in the current system. We have already organised various events to promote our cause in MANIT and Bhopal. Currently, we are reaching out other colleges in the country to form wings of PURGE in their colleges. We have also launched a Student Leadership Program (SLP) for students of other colleges to act as ambassadors of our organisation in their college.

Cleaning Event at MANIT Campus

|  | of 33/0.433 kV Power Sub-Station and laying of power lines of Proposed SPA Campus at Bhouri (SPAB/IWD/2012/1675 Dt. 12.12.2012) (ICSC/2012-13/Elect./164 Dt. 22.01.2013) |   | Ongoing since Dec 2012   |
| <b>Department of Mechanical Engineering</b>      |  |   |  |
| 131  | Fabrication of Al-Nano TiC Composites by ultrasonic assisted stir casting  | Dr J L Bhagoria<br>Dr. Rajesh Purohit &<br>Dr. R. S. Rana                           | SATI, Vidisha  |
| 132  | Fabrication of Al-B <sub>4</sub> C Composites and optimization of milling parameters   | Dr J L Bhagoria<br>Dr. R. S. Rana<br>& Dr. Rajesh Purohit                           | SATI, Vidisha  |
| 133  | Garbage dust bins quality parameter inspection   | Dr J L Bhagoria<br>Dr P.K.Soni  | Bhopal Municipal Corporation, Bhopal (MP)                            |
| 134  | implementation of Technical standards of cold chain infrastructure development of cold chain   | Dr J L Bhagoria<br>Dr P.K.Soni  | National Horticulture Board<br>Ministry of Agriculture Govt of India |
| 135  | Testing of absorber plates (V-rib for different pitch)   | Dr J L Bhagoria<br>Dr. Atul Lanjewar  | RKDF Institute of Science and Technology                             |
| <b>Department of Architecture &amp; Planning</b> |  |   |  |
|  | Vastu Consulting   | Dr. Anupama Sharma  | Dental Clinic  |
| 136  | Assessing the Impacts of Climate Change on Urban Sector in Madhya Pradesh  | Dr. Yogesh Garg   | Development Alternatives New Delhi                                   |
| 137  | Report: Climate Change Impact Assessment Paper for Urban Sector in Madhya Pradesh  | Dr. Vinay Mohan Das<br>Dr. Manmohan Kapshe<br>Dr. Yogesh Garg<br>Dr. Navneet Munoth | Development Alternatives, New Delhi                                  |
| 138  | Architectural Consulting   | Dr. Preeti Omkar  | MPCST  |
| 139  | Architectural Consulting   | Dr. Preeti Omkar  | MPCST  |
| 140  | Architectural Consulting   | Dr. Preeti Omkar<br>Dr. Ashutosh Sharma   | Department of Health and Education                                   |
| 141  | Junction Improvement Plan of Bhopal  | Dr. Anuj Jaiswal  | MANIT  |
| <b>Department of Energy Studies</b>              |  |   |  |
| 142  | Preparation of Detailed Project Report of 70 MW Solar Power Plant at Ghutari, Kolaras, Shivpuri Dt, Madhya Pradesh by  | K. Sudhakar   | NHDC   |

| Department of Biological Sciences                           |  |   |   |
|---|--|---|---|
| 143   | Developing Anti IR paint for defence purpose                                   | Dr Bharat Modhera   | Yohana Paints                           |
| Department of Electronics and Communication                 |  |   |   |
| 144   | Technical inspection of e-challan system                                       | Dr. R. K. Baghel  | Traffic police Bhopal                   |
| 145   | Boom barrier Installation  | Dr. R. K. Baghel  | Nagar Nigam Bhopal Parking zone         |
| Department of MSME  |  |   |   |
| 146   | Microstructural Analysis of steel grades selected for Magnetic Applications    | Dr. C.Sasikumar   | M/S Inder Engineering, Bhopal           |
| 147   | Analysis of steel, Aluminium and Glass sheets used for Interior building works | Dr. C.Sasikumar<br>Mr. Prashant Tadge                         | MPCST, Bhopal                           |
| 148   | Microvickers Hardness Analysis of Magnetic grade Steel                         | Dr. C.Sasikumar<br>Mr. Ajay Kumar Choubey                     | M/S Inder Engineering, Bhopal           |
| 149   | Evaluation of Tensile Properties of TMT Bars used for Reinforcing Applications | Dr. C.Sasikumar<br>Mr. Prashant Tadge                         | M/S Sheetal Nath Builders               |
| Department of Physics and Nano Science & Engineering Centre |  |   |   |
| 150   | Fire Fighting and Interior Design of PTDC Building                             | Prof. M. M. Malik,<br>Prof. K. K. Dhote &<br>Prof. R. K. Nema | MPMKVVCL Bhopal<br>Amount Rs. 8.35 lacs |

## 8.2 PATENTS:-

As per the records available following are the details of Patents by Institute faculty members.

| S.No | Name of faculty member (s)                                 | Name of Patent   | Status  |
|------|--|--|---|
| 1    | Dr Aditya Goel<br>Deptt. of Electronics & Communication    | Method for designing DFF for WDM Optical Transmission system | 2836/MUM<br>Filed in July 2015  |
| 2    | K.Sudhakar<br>Department of Energy Studies                 | Indian Patent "Self-sustained smart greenhouse"              | Patent no.2945/MUM/2015)<br>Issue No. 35/2014 Page no. 27 Published on 04/09/2015,International classification:C12M1/00 |
| 3    | Dr. Vilas Warudkar<br>Department of Mechanical Engineering | An adjustable steering ratio gearbox                         | 4625/MUM/2015<br>08/12/2015   |
