DO No. ADMIN-25/248/2025-O/o GM (HR/Admin-I) (E-300607)

December 31, 2025

Respected Sir.

National Highways Authority of India (NHAI) is launching a Six-Month Internship Program for final-year undergraduate engineering students for the period January to June 2026.

2. The initiative is aligned with the spirit of the National Education Policy (NEP) 2020, which encourages experiential learning, industry exposure and boosts employability by offering flexible curricula and credit-linked internships, including extended-duration internships during the final year of undergraduate programs.

3. Several premier technical institutions provide students the option of undertaking a full-semester or six-month internship in lieu of regular academic coursework, with appropriate credit recognition. In this context, NHAI has planned a structured six month internship program for students enrolled in institutions where such an academic provision exists. The objectives of the Internship, Key Features of the Program & Application Process is attached at **Annexure**.

4. You are kindly requested to **circulate this opportunity among eligible final year students of all NITs** who are permitted to undertake a six-month internship in lieu of regular coursework and encourage interested students to apply through the portal.

5. For any clarification or assistance, institutions and students may contact the NHAI Training Cell at: [trainingcell@nhai.org](mailto:trainingcell@nhai.org)

NHAI looks forward to the participation of your institution in this initiative and to providing students with meaningful professional exposure in the national infrastructure ecosystem.

Encl.: As above.

With regards,

Yours sincerely,

(Santosh Kumar Yadav)
