i. The applicants for Part-time P.G. Programmes will have to appear in a written test and/or interview conducted by the institute as per prevailing norms.

ii. Qualifying in GATE / NET is **not mandatory** but the institute, on its sole discretion, may relax the requirement of written test and/or interview in such cases. The same criterion will be applicable to candidates with a valid GATE / NET score.

On approval by the Chairman, Senate, the admission section will issue the admission letters to the candidates who will be required to accept the offer of admission by depositing the prescribed fee before the specified date.

In case a candidate does not accept the offer by paying the prescribed fee by the specified date, the offer of admission may stand withdrawn, and the admission will be offered to the candidates in the waiting list, if any, in order of merit.

The offer of admission may also stand withdrawn if the candidate who has accepted the offer, fails to register by the date for late registration.

7. Requirement for Course Work and Residency

i. A student enrolled in a Part-time P.G. programme has to complete all requirements of the course work and earn as many credits as specified by the institute in the scheme of the corresponding Full-time P.G. programme.

ii. A Part-time P.G. student will have to opt for a minimum of two theory courses in each semester. In no case, the student will be allowed to opt for more than three theory courses in any semester.

iii. The candidate will be at liberty to opt for equivalent NPTEL Courses in lieu of regular courses floated by the institute. However, the maximum percentage of such courses can only be 40% of the total number of courses in the academic programme. The choice of permissible NPTEL courses and their credit equivalence will be subject to due approval by the institute at the start of every semester.

iv. A Part-time P.G. student will be expected to remain in regular touch with his Research Supervisor(s) through the entire duration of the dissertation phase. He is expected to spend at least two weeks in the institute in every semester and complete all stipulated programme requirements.

v. A Part-time P.G. student will have to undertake laboratory, seminar, studio, field-work etc. as per the programme scheme of the concerned department.

8. **Fellowship**

   Candidate admitted in the above PG Programmes as per clause No. 1 (Admission Categories) **will not be entitled to any fellowship from the institute till the completion of course.**

9. **Programme Duration**

   A Part-time P.G. Programme will allow the student to complete his/her coursework requirement in two years (for M.Tech./M.Plan./ MBA/ M.Sc.) and three years (for MCA). This will be followed by the dissertation / thesis phase which will be of one year duration.

10. **Dissertation/Thesis Supervisor allotment and eligibility**

    The norms and modalities for allotment of a Dissertation / Thesis Supervisor for a Part-time P.G. Programme – enrolled candidate will be as per the standard institute norms prevalent at that point of time. Any change in the allotted Dissertation / Thesis Supervisor will also be subject to standard institute norms.

11. **Programme Fee** (Annexure IV)

    All Part-time students enrolled in P.G. programmes will have to pay the same admission fee, tuition fee and other charges as decided by the institute. The students admitted will have to pay the full fee for one semester/one year as applicable to the particular category of the candidate as per the institute norms. The institute reserves every right to modify the admission fee from time to time based on the approval of competent authority. Any student will be admitted only when he/she has deposited the full fee for one semester/one year as applicable to him.

12. **Provisional Admission**

    A new entrant to any PG programme, who is awaiting the results of the qualifying examination, will be allowed to register "provisionally" on submission of a certificate from his/her institution certifying that he/she has appeared in the final qualifying examination (including all papers in theory, practical, project, oral, etc). The candidate will submit attested copies of the certificates of having passed the qualifying examination by the last date for document submission as specified in the academic calendar (usually about 2 weeks from the date of registration), failing which the admission may be cancelled.

13. Fee Refund

After the counseling if someone cancels his /her admission at any point of time and if the seat remains vacant. No fees shall be refunded except for Caution money and mess charges (as applicable).

14. Multiple Exit/Entry Option

The student can avail options of multiple exits from the programme after successful completion of a minimum of two semester of M.Tech/M.Plan/MBA and four semester for MCA. The Senate will prescribe the Certificate to be awarded to the student availing the exit option only upon the request of the concerned student, except where the student successfully completes his/her programme to which the admission was made.

The exit option can be exercised with possibility of reentry to the same course to complete the remaining programme of his/her admission with an upper limit of gap from the time of exit to the time of re-joining, as prescribed by the Institute Senate. Normally the exit gap should not exceed a period of one year on M.Tech/M.Plan/MBA and two years on MCA every exit availed. The gap shall not be counted for computing the maximum permissible duration of the programme. In case the scheme has changed at the time of reentry, the student shall be governed by the scheme in force at the time of his reentry. After successful completion of the programme, the student shall be awarded with a degree certificate with an appropriate remark about having availed the exit option.

The proposed multiple exit options are as follows:

S.N.	Name of Programme	Exit Option
1	M.Tech.	One Year
2	M.Plan.	One Year
3	MCA	Two Years
4	MBA	One Year

Also, if students take the in-between exit option as mentioned above and returns back to complete the programme the gap duration will not be taken into account of maximum period permitted, however, the maximum duration of exit shall not exceed five (5) years.

After the exit as mentioned in the additional exit column the student will be entitled for the award of PG diploma in relevant programme, if desired.

15. Registration

A student is required to register in the beginning of each semester for the courses that he/ she intends to pursue in that semester. The registration process involves: The payment of fees for that semester and clearance of any outstanding dues. Without clearance of the dues, a student cannot be allowed to register in the next semester. The registration in each semester should be taken as per the notification given by Admission section after paying the Institute Fees in the beginning of each semester within the prescribed time.

16. Late Registration

If for any compelling reason like illness, etc. a student is unable to register on the day of registration, he/she can register till the late registration day specified in academic calendar on payment of specified late registration fee.

Note: The respective courses have been governed by the PG Ordinance 2024 and amendments thereof if any.
