GAURAV JAISINGHANIA

Principal Consultant,
PricewaterhouseCoopers (PwC)

B.Planning | 2008 - 12
MANIT Bhopal

Gaurav Jaishingania is Principal Consultant with PwC Consulting. He is an urban planner and alumnus of IIM (I) and NIT (B) with more than 8 years of multi-country (transnational) experience in smart cities, policy and governance, city transformation, user experience based designing, strategic planning, research, benchmarking and management consulting.

Gaurav has an extensive experience in formulating vision, mission, principles, strategic KPIs for different cities, PSUs and government entities across multiple countries. His multifarious experience cuts across different aspects of urban governance and has also worked with organisation like AfDB, World Bank, Urban 20 and G20. Gaurav has been awarded and felicitated by Government of India and various state governments for his contribution to Smart Cities. He has led and been part of numerous consulting and academic assignments in India, Kuwait, Saudi Arabia, Jamaica, West Africa, Australia and UAE. He has travelled to 15+ countries and has worked with governments of almost 7 countries on policy and planning assignments.

IN CONVERSATION WITH

ANUGRAH NAGAICH

Assistant Professor,
Dept. of Arch. & Planning, MANIT Bhopal

B.Planning | 2009 - 13
MANIT Bhopal

Currently serving as an Assistant Professor at the Department of Architecture and Planning, MANIT Bhopal, Anugrah Anilkumar Nagaich completed his Bachelor's degree in Planning (B. Plan.) from MANIT Bhopal in 2013, and subsequently pursued his Master's of Technology degree in Geoinformatics and Natural Resources Engineering from IIT Bombay in 2016.

He has also pursued two PG Diplomas: one in Intellectual Property Rights from IGNOU in 2018 and one in Environmental Management from EPCO, Bhopal in 2014; in addition to a lot of MOOCs from international universities. He likes to explore the confluence of Advanced Geospatial Analyses, Machine Learning, Artificial Intelligence and Urban Studies for addressing the challenges facing our habitats today. Anugrah has published his papers in journals of international repute, contributed book chapters for publications, participated and shared his research work in various international conferences in India and abroad, and writes regularly for various magazines and newspapers.
