EVENT REPORT

"From Roots to Remedies" with Prof. J. Ramkumar

Date of the event: 26/09/23

Mode: Offline

Venue : Civil Auditorium, MANIT

Duration : 3 hrs

The captivating event was initiated by a wholesome facilitation of the speaker Dr. J Ramkumar by Dr. Akhilesh Barve. After which a warm welcome to the attendees followed, setting the stage for an inspiring evening. Prof. J. Ramkumar's reputation as an expert in his field preceded him, and anticipation was at an all-time high.

Prof. Ramkumar, with over two decades of experience, is a key figure in micro/nano machining for defence tech, UAVs, aerospace, and more. He's a compassionate researcher, developing assistive tech for disabilities and aiding over 15 successful startups. His frugal innovations, including SWASA masks and Sanjeevani Oxygen Concentrator during COVID, have made him synonymous with Manufacturing Engineering in the research community.

The professor's keynote address was a masterclass in innovation, design fundamentals and empowerment. He shared his profound wisdom and expertise, drawing on his experiences as an educator at IIT Kanpur. His insights into the transformative power of innovation left the audience in awe and was followed by a well informed briefing on the GATE (Graduate aptitude test in engineering) as well as the JAM (Joint Admission Test) examination, well suited for an auditorium of engineering students. Any lingering doubts were cleared to make for an unforgettable session.

Prof. J. Ramkumar's words resonated deeply with the attendees, leaving them inspired and motivated to pursue innovation as a means of positive change. His emphasis on the importance of education and empowerment echoed long after the event.

This event was a testament to the enduring impact of education, innovation, and the unwavering spirit of those who seek to make a difference.
