

Advisory Committee

1. Prof. A. K. Tyagi, BARC, Mumbai
2. Prof. R. Murugavel, IIT Bombay
3. Prof. P. S. Mukherjee, IISc, Bangalore
4. Prof. Daya Shankar Pandey, BHU, Varanasi
5. Prof. S. Chandrasekharan, JNCASR Bangalore
6. Prof. Rajeev Gupta, University of Delhi
7. Prof. Rajneesh Misra, IIT, Indore
8. Prof. Satrajit Adhikari, IACS, Kolkata
9. Prof. Parameswar K. Iyer, IIT, Guwahati
10. Prof. Paritosh Mohanty, IITR, Roorkee
11. Dr. Amol A. Kulkarni, NCL, Pune
12. Dr. T. Raja, NCL, Pune
13. Dr. P.S. Subramanian, CSMCRI, Bhavnagar
14. Dr. Chidambaram Mandan, Lohum Catalysts Pvt. Ltd.
15. Prof. Arnab Dutta, IIT, Bombay
16. Prof. M.R. Maurya, IIT, Roorkee
17. Prof. Vinod Kumar Tiwari, BHU, Varanasi
18. Prof. Kamlesh Yadav, University of Allahabad, Prayagraj

Organizing Committee

Chief Patron

Prof. Karunesh Kumar Shukla
Director, MANIT Bhopal

Patron

Prof. Satish Pal Singh Rajput
Dean Institutional Development & International Relations

Chairperson

Prof. Amit Dubey, Head of the Department

Co-Chairperson

Prof. Savita Dixit, Professor

Organizing Secretary

Dr. Rampal Pandey, Associate Professor
Dr. Harjinder Singh, Assistant Professor
Dr. Soumya Mukherjee, Assistant Professor

Joint Organizing Secretary

Dr. Jyoti Mittal, Assistant Professor
Dr. Dharmendar Kumar Sharma, Assistant Professor
Dr. Sukanti Behera, Assistant Professor
Dr. Sarvesh Kumar Pandey, Assistant Professor

International Conference on

**"Innovations in Chemistry: Bridging Science,
Technology and Industry"**
(ICBSTI-2026)

(8 - 9 January, 2026)

Organized by

Department of Chemistry
Maulana Azad National Institute of Technology, Bhopal

Overview of ICBSTI-2026

It is our great pleasure to announce an International Conference on **Innovations in Chemistry: Bridging Science, Technology and Industry (ICBSTI-2026)** in hybrid mode by Department of Chemistry, Maulana Azad National Institute of Technology, Bhopal, during **8 - 9 January, 2026 (two days)** to cover the frontier research developments of Chemistry and its interconnection with technology and industry.

About the Institute

Maulana Azad National Institute of Technology (MANIT), Bhopal is one of the premiere technical institutes of the country, which has contributed many outstanding engineers, academicians, scientists as well as other eminent personalities, who are established in their respective professions. It is established in the year 1960 and named after the great scholar, educationist and the first education minister of Government of India, Maulana Abul Kalam Azad. At present, the institute is conducting 09 UG, 01 integrated UG-PG, 33 PG programs and Ph.D. programs in all the disciplines of engineering, sciences, humanities, business administrations as well as data sciences with the help of hundreds of competent faculty members. In order to bridge the gap between academicians and industry professionals, special attention is given to interdisciplinary applications-oriented research. Presently the institute is going to celebrate its Sapphire Jubilee Year (completed 65 years).

About the Department

The Department of Chemistry current offers two multisectional UG courses, master programs (M.Sc. Chemistry) and Ph.D. program in the areas of research include environmental chemistry, nanomaterials, synthetic inorganic and organic chemistry, computational chemistry as well as quantum chemistry. The Department is on the way to appear one of the best in the country in both teaching and research. Its outstanding and dedicated faculty members and students are among its core strengths. The Department is trying to build state-of-the-art research facilities to carry out research at the cutting edge and houses various modernized instruments. We are expecting that the department will stand tall in terms of quality research at the National and International platforms in upcoming years.

Theme of ICBSTI-2026

The major areas of this international conference are:

- Synthesis of Organic and Inorganic Molecules
- Characterization techniques like SEM, TEM, HRTEM, FESEM, GC, HPLC, SFC, Electrochemical Workstation and many others
- Nanocatalysis and Nanotechnology
- Environmental Chemistry
- Organometallic Chemistry
- Energy Storage Devices
- Computational Chemistry: Application of Softwares, like Gaussian, Molpro, etc.
- Designing of Drugs, Heterogeneous Catalysts and Biomedical Agents
- Forensic, Biomedical and Pharmaceutical Analysis
- Material Science

Registration of ICBSTI-2026

Online registration form is available on:

<https://docs.google.com/forms/d/e/1FAIpQLSdTmkZlOAcS6RErBrSkP53FUBm0A0uv6AUIrMS82vCOV2kPwA/viewform?usp=dialog>

Participants	Online/Offline	Amount
Diploma/UG/PG	Online	Rs. 1000/-
	Offline	Rs. 2500/-
PhD Students	Online	Rs. 1500/-
	Offline	Rs. 4000/-
Faculty of Academic and R&D Institutes	Online	Rs. 3000/-
	Offline	Rs. 5000/-
Industry Personnels	Offline	Rs. 7500/-

The registration fees does not include accommodation charges. Participants are requested to arrange their accommodation on their own, if necessary.

Registration Deadline: 15th December, 2025

Payment Details

Details of Money-Transfer by net-banking:

Account Name: Director MANIT

Bank Name: State Bank of India

Bank Address: MANIT Bhopal

Account No. 10020150107

IFSC Code: SBIN0001608

In net banking money transfer please clearly mention narration in remark column as **“Registration fee for ICBSTI-2026”** otherwise it will be difficult to trace the money transfer and receipt may not be issued.

Important Instructions for Registration

1. Registration Fee is applicable for all participants (including MANIT participants).

2. Prior to online registration, payment needs to be made. Payment receipt (not any other document) will be uploaded in online form.

3. Participants need to upload abstract for oral/poster presentation as per the specified format (see online form) only.
