

MANIT Bhopal Organizes Faculty Development Programme on Outcome-Based Education and Active Pedagogy

Bhopal, 16 June 2026:

The Maulana Azad National Institute of Technology (MANIT), Bhopal successfully organized a Faculty Development Programme (FDP) on “Outcome-Based Education and Active Pedagogy” from 16-18 June 2026, under the guidance of the institute administration. The programme aimed to strengthen teaching-learning methodologies, improve curriculum delivery, and enhance understanding of outcome-based education aligned with quality benchmarks such as NBA accreditation and NIRF rankings.

The programme commenced with the gracious presence of Prof. K.K. Shukla, Director, MANIT Bhopal, who inaugurated the session and shared his visionary insights on the significance of quality education, innovation in teaching practices, and measurable learning outcomes in higher education institutions.

The event was also graced by Dr. Sushma Gupta, Dean (Faculty Welfare), MANIT Bhopal, faculty members, and participants from different departments who actively engaged in discussions on modern pedagogical approaches.

The key resource persons for the programme were Dr. Sanjay Agrawal, Dean (Academics and Research) and Professor & Head, Department of Computer Science and Engineering, NITTTR Bhopal, and Dr. R.K. Kapoor, Professor, NITTTR Bhopal. Both experts shared their extensive experience and expertise in outcome-based education, curriculum design, teaching-learning assessment, accreditation processes, and educational technology.

During the session, Dr. Sanjay Agrawal emphasized the importance of transforming traditional teaching into measurable learning outcomes and highlighted strategies for effective implementation of Outcome-Based Education (OBE). He also shared valuable insights into accreditation frameworks and quality enhancement practices in technical education.

Dr. R.K. Kapoor discussed innovative pedagogical practices, curriculum development, educational technologies, and the role of artificial intelligence and digital learning platforms in improving teaching effectiveness.

The Faculty Development Programme provided an excellent platform for faculty members to understand contemporary educational practices and strengthen their mentoring and teaching capabilities. Participants appreciated the interactive sessions and expert guidance, which are expected to contribute significantly to academic excellence and institutional development at MANIT Bhopal.

The programme reflects MANIT Bhopal's continued commitment to fostering excellence in higher education through faculty development, innovation, and quality-driven academic practices.
