**लाइव डेमो सत्र पर रिपोर्ट:
"ईबीएससीओ डिस्कवरी सेवा,
ओपनएथेन्स और ई-बुक्स" - 29 जुलाई 2025**

The Central Library, MANIT Bhopal organized a live demonstration session on **"EBSCO Discovery Service, OpenAthens & eBooks"** on **29th July 2025** from **3:00 PM to 5:00 PM** in the **Auditorium of the Department of Civil Engineering**. The session aimed to educate faculty members, research scholars, and students about the use of EBSCO's integrated digital platforms for enhancing access to resources. This session was attended by 25 participants.

The session was conducted by **Mr. Yashveer P Singh**, Business Manager – Central India, EBSCO who gave a detailed presentation on how EBSCO Discovery Service (EDS) enables centralized search across all subscribed library resources and databases. He also demonstrated the seamless remote access features provided by OpenAthens, which supports secure Single Sign-On (SSO) and remote connectivity. The session highlighted user personalization, content visibility, and usage analytics to support academic decision-making.

Mr. Sanjay Goswami, Sales Director – Indian Subcontinent, also interacted with the participants and emphasized the importance of digital tools in strengthening the research ecosystem. He shared insights into EBSCO's global reach and ongoing support for Indian academic institutions through services like eBooks and ONOS integrations.

The session was interactive and well-received, offering practical exposure to tools that simplify and strengthen academic research. It concluded with a Q&A session and was appreciated for its relevance and clarity.
