**Report on the Workshop:  
"Enhancing research excellence with ONOS (Sage Journals)  
and author workshop": 10<sup>th</sup> June 2025**

The Central Library of Maulana Azad National Institute of Technology (MANIT), Bhopal organized an exclusive workshop titled **"Enhancing Research Excellence with ONOS (Sage Journals) and Author Workshop"** on **10<sup>th</sup> June 2025** in **The Auditorium, Department of Mechanical Engineering**. The workshop was held in collaboration with Sage, a globally recognized academic publisher, with the objective of enhancing research capabilities of scholars, faculty, and students by introducing them to subscribed digital resources and guiding them through the research and publishing process. This workshop was attended by 45 scholars, faculty, and students.

**Mr. Manoj Gupta**, Senior Manager at Sage, was the Resource Person. He provided a detailed description of Sage's subscribed e-journals and e-books collection. Mr. Gupta introduced the latest journals by Sage in the fields of management, science, technology, and engineering etc. He also explained how to efficiently use the ONOS (One Nation One Subscription) platform for both basic and advanced searches and how to explore various features of journal homepages for better usability in research. He elaborated on how to select the right journal, understand submission guidelines, and set up personalized alerts for new articles, citation updates, and saved searches.

The workshop was highly informative and interactive.
