**Subject: Subscription to MyLoft Remote Access / My Discovery Services for MANIT Library Subscribers**

The Central Library is pleased to inform all faculty members, research scholars, students, and staff of MANIT that access to “**MyLoft Remote Access**” / “**My Discovery Service**” has been activated for the institute community.

MyLoft is a digital platform that provides seamless **Remote Access** to subscribed e-resources of the library from anywhere, anytime. Users can access journals, databases, e-books, and other digital content on their mobile devices or desktops even when off-campus.

**Key Features:**

- \* Single sign-on to all library e-resources
- \* Offline reading facility
- \* Customized content organization
- \* Mobile and desktop access

**My Discovery Service**

My Discovery is a unified search platform that allows users to search across all subscribed digital resources of the library from a single interface. It improves the discoverability of academic content and simplifies research.

**How to Register and Access:**

1. Visit the website:
