

Maulana Azad National Institute of Technology Bhopal, India

Centre of Excellence in Product Design and Smart Manufacturing

9th May 2025

The organizing committee is pleased to inform you that the following candidates 2nd Year UG students have been selected for the Off-line Outreach Internship 2025 program in our Centre during 2nd June to 27th June/11th July. The internees have to sign in the attendance register on all working days in the Centre and no leave will be allowed during the program.

Internees will be provided hostel accommodated in boys/girls hostels located in the institute campus (Rs.50/- per day will be charged per person for lodging). For boarding, mess facility will be available for charges as applicable per day (range: Rs.125 to Rs.150 per day). For availing hostel and mess facility, internees will have to inform the Coordinator of the program by mail **on or before 14th May 2025**. Selected internees also have to abide by the hostel and institute rules strictly. Students may have to deposit advance amount for availing mess facility. All the students will be provided an identification card and they will have to carry it with them and show the security as and when asked for.

The program is outcome based and internees are expected to publish their work in reputed international conferences/journals after they complete their internship program in the institute. Students can come with their own topics or the faculty mentors in Centre will offer topics in the relevant areas of preference given by the students.
