E-Summit'24 consists of a dynamic lineup of events which includes the Startup Expo with product based startups, Business Plan Competition for startups in ideation phase, Hackathon for coding enthusiasts, Keynote Sessions from notable dignitaries and entrepreneurs, IPL Auction Simulation, Creators Camp and many more, providing unparalleled opportunities for learning and networking, contributing to the development of essential skills. With strong connections to alumni and industry experts, E-Cell supports students in realizing their innovative ideas and embarking on their entrepreneurial journeys.

This year, we are proud to have Adani Group as our Title Sponsor, Rupeezy as our Co-title Sponsor, and CoinGape as our Co-Powered by Sponsor.

Startup Expo:

- Connect with 50+ budding startups from the pre-seed stage with a constellation of 100+ investors, venture capitalists, and bureaucrats.
- Offering product showcases, panel discussions, and pitching sessions.
- Opportunity to showcase groundbreaking ideas, secure investments, and gain insights from experienced founders.

Business Plan Competition:

- Startups in ideation and validation phase pitch innovative solutions to venture capitalists and expert panel.
- Participating teams submit lean canvases, attend online workshops, and present pitches, fostering entrepreneurial growth.
- Entrepreneurs showcase ideas and gain valuable insights from judges and investors.

Hackathon:

- Central India's Largest Hackathon.
- 48-hour brainstorming and coding session with fellow participants.
- Develop prototypes and pitch ideas to the jury to secure the victory.

IPL Auction:

- Round 1 involves a fierce quiz battle to test the cricket acumen of participants.
- Teams bid and seek with virtual money to assemble their IPL teams in Round 2.

Keynote Sessions:

- Illuminating paths and guiding the youth through our enriching keynote sessions.
- Gain Insights from accomplished individuals, inspiring and innovating the entrepreneurial spirits among student audiences.

Creators Camp:

- Examine the creative wilderness consisting of content creation skills.
- Interactive sessions with influencers and accomplished artists in their respected fields like acting, writing, tech and many more.

Stock Trading Simulation:

- A Dalal Street simulation where participants are empowered with market knowledge.
- Hone your wits and analytical skills through real-world practice through workshops, app-based investing, and expert keynotes.

Crypto Trading Simulation:

- Unlock digital riches by overcoming real-time crypto market challenges.
- Experience a three-phase journey with a workshop, simulation game, and expert keynotes.

Case Study Competition:

- Unleash your analytical skills by addressing real-world business problem statements.
- Foster critical thinking skills and cultivate an entrepreneurial mindset.

E-Sports:

- Opportunity to delve into the future of gaming.
- Evaluate your skill and determination in multiplayer games setup.
