MAULANA AZAD NATIONAL INSTITUTE OF TECHNOLOGY BHOPAL

UNNAT BHARAT ABHIYAN (UBA) Cell, MANIT

The MANIT Unnat Bharat Abhiyan is a flagship programme of the government of India and its motive is to adopt at least five nearby rural villages by the higher education institutions in the country. The basic approach is to connect these institutions with rural people in the villages and to help them in basic issues of development such as education, women empowerment, agriculture, health, water, girl child development, waste management and technical interventions. The MANIT Bhopal is one of the Regional Coordinator (RCI) of Unnat Bharat Abhiyan in the country and also adopted twelve villages and doing excellent work in terms of education, awareness, women empowerment, girl child development, agriculture, technical intervention, and sanitation and waste management activities. The Unnat Bharat Abhiyan MANIT student's cell has done number of activities in Government Middle School of Kharpa & Kharpi village dated 12th of APRIL 2025. The students Cell of Unnat Bharat Abhiyan Coordinator Ms.Vidhi Sharma and Co-coordinator Mr.Yadla Dhanunjay have planned student's friendly academic activities along with the help of UBA MANIT students' cell. Our UBA students have informal interactions with government school students. The MANIT UBA students motivated the students of the Kharpa government school and provided them with career guidance. MANIT UBA students explained the concept of volcanic eruptions and demonstrated it using a model. MANIT UBA students also explained them about some science concepts .Additionally, the UBA students helped the government school children understand the Indian political map and guided them in identifying and marking various states on it.

Furthermore, prizes were awarded to the students of Kharpa government school who secured the first, second, and third positions in the drawing competition organized by the UBA students during their last visit on 8th March 2025. At last UBA students distributed some refreshments to the government school students. The UBA student's cell also interacted with headmaster ji and teachers of the government middle school to discuss various issues related government school students and how we can resolve them for the betterment of school.

Dr. Pushpender Yadav, the Regional Coordinator of the UBA Cell at MANIT, encouraged the girls of the Government School in Kharpa & Kharpi village to prepare for the Navodaya School entrance exam and continue their study. The MANIT also provided twenty benches and five chairs to the government schools of villages Kharpa and Kharpi under the UBA Cell initiative and assured that maximum support and assistance would be extended to government school students to help them continue their education. Further, the UBA Cell is planning to create

awareness to open accounts for villagers under Atal Pension Yojna (APY) for villagers. The Director of MANIT Prof. (Dr.) Karunesh Kumar Shukla and Dean (ID&IR) Prof. (Dr.) SPS Rajput has always encouraged and supported the UBA Cell activities in the adopted villages.
